REMARKS REQUESTING A CORRECTION TO THE DECISION GRANTING PATENT

TERM ADJUSTMENT

In the decision on application for patent term adjustment mailed August 14, 2008, the senior legal advisor states in the last full paragraph from the bottom of page 1 (with emphasis supplied) that: “In accordance with 37 CFR 1.702(a)(2), the application is entitled to a further **reduction** of 446 days.”

Based on the context of the decision, the passage should read (emphasis is added): “In accordance with 37 CFR 1.702(a)(2), the application is entitled to a further **adjustment** of 446 days.”

The applicant requests a corrected decision in which the language “a further reduction of 446 days” is replaced with the language “a further adjustment of 446 days”.
